LETTER OF DEFICIENCY
WD WQE 02-06
July 18, 2002

Attn: Mr. Pat Franchi

Re: Meadow Green Subdivision (a.k.a. Meadow View Village), Bartlett, NH
RSA 485-A:17 Site Specific Permit #WPS-4889-A

Dear Mr. Franchi

On July 12, 2002, personnel from the Department of Environmental Services ("DES") conducted an inspection on the subject property ("The Property"). The purpose of this inspection was to determine compliance with RSA 485-A:17 and applicable rules promulgated pursuant thereto. During the inspection, the following deficiencies were documented:

- (1) Detention Pond #300 and its associated structures and swales ("The Pond") had not been constructed as required by Site Specific Permit #WPS-4889-A ("The Permit").
- (2) The Permit required to build the Pond had expired on August 19, 2001.

DES believes that the cited deficiencies can be corrected by

1. Applying for and obtaining a Site Specific Permit prior to constructing the Pond.
2. Constructing and stabilizing the Pond and its associated structures and swales in accordance with the approved plans, prior to September 15, 2002.

In the event compliance cannot be achieved with this period, DES may order you to take such remedial measures as may be necessary. Failure to comply with such an Order may result in enforcement action by DES under RSA 485-A:22. In addition, DES personnel may conduct another inspection at a later date to determine whether you have come into and are maintaining full compliance with the applicable statute and rules.
